Namaste

Thai massage 90'

The ancient Thai Massage is a combination of yoga stretches, mild vibrations and pressure on the body's meridians using hands, elbows and thumbs. Increases your flexibility and vitality, stimulating body and mind.

Shiatsu 60'

Enjoy the ancient Japanese pressure point massage. Fundamental to eastern medicine, it provides physical and mental relaxation restoring energy flow throughout the body unlocking the meridians. Excellent for combating fatigue.

Hot stones Massage 60'

Massage technique utilizing volcanic stones, activating the body's chakras and releasing accumulated negative energy.

Yoga balance massage 60'

A unique combination of yoga stretches and massage techniques. Enjoy this version of traditional Thai massage performed on a bed and let go of muscular and spiritual strain.

Reflexology 30'

Special massage and pressure technique focused on the feet. Activate your reflex points and feel the relaxation and wellbeing not only on your feet but also your entire body!

Thai foot 30'

A unique combination of massage and reflexology as performed in Thailand. Combat tired feet and fatigue like never before.

Indian Head Massage 30'

Traditional Indian massage technique for head and neck without the use of oils. Leave behind stress and tension and stimulate this part of your body combating muscular tension and knots.

Shirodhara Head Massage 30'

Ayurvedic face neck and head massage leading to total relaxation. Maintaining a constant flow of herb enriched oil over the 6th chakra, also known as the "third eye", it restores the balance of the mind and nervous system, significantly helping with sleep problems.

Chi Nei Tsang 30'

Also known as the Taoist abdominal massage. It is based on the concept that the abdominal region is the "second brain"; Chi Nei Tsang aids in a series of body imbalances, specifically digestive problems, tension & stress, fairly common when changing living environments. Exceptional during vacations.

Persephone

Ares 60'

A unique combination of a full body massage ritual with the use of hands, stones and towels.

Aphrodite 90' Physis

A totally relaxing experience of facial and body massage from tip to toe.

Athena 60'

Therapeutical massage techniques with the use of cups, herbs and honey. Rejuvenation and relaxation of body and mind meets skin care.

Demetra 60' Physis

Unique massage technique with the use of virgin green olive oil, as it was ritually provided in ancient Sparta.

Estia 75'

A full body scrub with salts from the Greek sea followed by a full body massage ritual.

Hera 60' Physis

Indulge in a massage ritual for your body and enjoy the benefits of lemon and orange extracts prepared completely naturally in front of you!

Dias 90' Physis

Enjoy a couple's massage, which according to the historian Xenophon, Kings and Queens of the ancient era chose as the ritual treatment after the royal wedding.

Poseidon 30' Physis

Scrub for the entire body as it was performed in ancient Greek, using salt from the Greek sea! Stimulate your senses and tone your skin.

Hermes 60' Physis

Full body massage with honey and royal jelly, highly nutritious for the skin.

Balinese 60'

Massage by hand, elbow and thumb pressure

Rejuvance 60'

A natural lifting experience! You can have it either as a unique flash beauty treatment, or as a 6 treatments protocol for lasting effects.
