Local Rules

The ball may be dropped without penalty on any green when the ball comes to rest near the irrigation outlets.

A ball is deemed out of bounds when:

- a) coming to rest beyond the riding trail
- b) coming to rest on the practice putting green

Stones in bunkers are movable obstructions (Rule 24-1 applies) but please refrain from moving them to an area that is clearly cut by machinery equipment

It is forbidden at all times to cross any roped area with a trolley or e-cart and also to transport them for mentioned between bunkers and greens

Any removable obstructions must be replaced after the stroke e.g. distance makers

Any equipment loaned from the golf club such as trolleys must be returned to its designated area in the same condition as when taken. Please notify a member of staff should you see any damage.

Should a ball lie plugged or need mud removal due to the wetness of the course then preferred lies are encouraged, however, they should not be placed any closer to the hole. If you are only cleaning it, its position should be clearly marked.

REFERENCE: The entire golf course may be entered and played only with soft spikes.
